WHAT IS HOUSEHOLD HAZARDOUS WASTE?

Leftover household products that contain corrosive, toxic, ignitable, or reactive ingredients are classified as “household hazardous waste” or “HHW.” These products require special care when you dispose of them. Hazardous wastes, like those listed below, do NOT belong in the landfill or in your curbside carts.

Home Remodel

- Paint
- Stain
- Varnish
- Thinner
- Adhesives

Automotive

- Old Fuel
- Motor Oil
- Oil Filters
- Batteries
- Antifreeze

Household

- Batteries
- Fluorescent Bulbs
- Cleaners & Sprays
- Propane

Garden

- Pesticides
- Fertilizers
- Herbicides
- Rat Poison
- Gopher Bait

Miscellaneous

- Home Generated Sharps (needles, syringes, lancets) in approved containers
- Prescription and over the counter medicines (no controlled substances)

Residents of Alameda County can safely and conveniently dispose of household hazardous wastes FREE-of-charge at Alameda County HHW disposal centers.

Oakland HHW Facility • 2100 East 7th Street, Oakland

Be sure to check the operating schedule before going!

Must bring valid ID showing current Alameda County address. Do not mix different wastes in the same container. No individual container may be greater than 5 gallons or 50 lbs. State law limits the total amount you transport in one vehicle to 125 lbs. or 15 gallons. Must be transported by a resident of the household which generated the waste.

Call 800.606.6606 or visit STOPWASTE.ORG
for hours of operation
